Uninsured Children Under Age 19 in Rhode Island

Rhode Island has 10,000 uninsured children under age 19 who are eligible for RItE Care.

Successful Strategies

- **Rlte Care application assistance through the Family Resource Counselor Network.**
- **Community-based outreach through hospitals, health centers, schools and other community-based organizations.**
- **netWORKri - One-Stop Career Center for Employers and Job Seekers.**

Where Do We Go From Here?

To continue our commitment to ensure that all Rhode Island children have health insurance, it is important to:

- Guard against federal and state cuts in Medicaid.
- Sustain funding of Family Resource Counselor Network.
- Minimize administrative barriers to enrollment.
- Ensure that people are able to retain their health insurance and avoid gaps in coverage.
